Dear Beer, Wine or Spirits Sampling Exhibitors,

Centerplate is requiring that any company participating in Nightclub & Bar Convention and Trade Show who will be serving Beer, Wine or Spirits samples, be either ServSafe™, TAM or TIPS certified or hire one of their bartenders. In an effort to offer an alternative, we have partnered with the Nevada Restaurant Association to offer two different ServSafe Alcohol™ Training classes to train you and your employees. You are only required to attend one of the classes. At the end of the class you will be administered a mandatory, closed book test. Once you've passed the exam, your card will be issued to you onsite. Your certificate will be valid for four years. The class materials and test are given in English only, though testers may bring and use a hard copy dictionary (phones or laptops are not allowed). We recommend that all your employees attend the training. You must show a valid photo ID (ex. driver's license, military ID, passport) in order to take the class and exam. Please see details below.

Class Dates & Times:

Monday, March 25, 2019 - 10:30am - 12:30pm

Monday, March 25, 2019 – 2:00pm – 4:00pm

Location:

Las Vegas Convention Center

Cost:

\$25 per participant
